else, and that is literally tell the Class I's to go tax.

SENATOR CROSBY: Thank you, Senator Wickersham. Senator Robinson.

SENATOR ROBINSON: Madam President, members of the body, Senator Bohlke, I see you're going back to your chair there. I'd like to check some things out with you.

SENATOR CROSBY: Senator Bohlke, will you respond again?

SENATOR BOHLKE: Yes, Senator Robinson.

SENATOR ROBINSON: I just want to clarify. On the ratcheting down, now from the...I have a Class I that the...you would take the budget from the K-12, K through 6. They're...go ahead.

SENATOR BOHLKE: K-8.

SENATOR ROBINSON: What if they only have K-6?

SENATOR BOHLKE: Then it would be the K-6, I'm sorry.

SENATOR ROBINSON: Yeah, okay, that's what I meant. Yeah, okay. That was.... Okay. Now, what happens if the K-1, or excuse me, the Class I doesn't conform to the ratcheting down budget figure? You go through the.... Say they were supposed to ratchet down to 6,000 and they can't do it, they miss it. What happens?

SENATOR BOHLKE: They would not get any of the funds.

SENATOR ROBINSON: Okay. So they wouldn't have any school then, basically, is what you're saying.

SENATOR BOHLKE: Correct.

SENATOR ROBINSON: Okay, that's what I want to know. Thank you. Oh, okay, who would the constituents of the Class I district, who would they be voting for, their local board only? They would not be voting on the K-12 affiliated district board, is that correct?
